Neil Horadagoda *BVSc, MVSc, PhD, MACVSc (Pathology)*

CLINICAL PATHOLOGY REQUEST FORM

Clinic:

Clinician: *Place AIS sticker here*

Date:

UVTHC AIS:

CP:

Animal's name:

Sex: **Age:**

Owner:

Species: **Breed:**

Sample:

History / Description of lesion / Treatment (incl. all drugs administered):

Haematology

- Full Blood Count
- WCC Diff (incl. Fibrinogen)
- PCV / TPP
- Reticulocyte count
- Platelet count
- Bone marrow exam
- PT, APTT
- Theileria* examination

Body Function Profiles

- Equine profile
- Equine racing profile
- Large animal liver
- Small animal 1 2 3
- Geriatric 1 2
- Pre-anaesthetic screen
- Small animal liver + coag
- Small animal renal
- Greyhound racing

Cytology

- FNA or impression smear
- Tracheal wash
- BAL
- Site _____

Biochemistry

- Multiple Biochemical Analysis
- Electrolytes
- Total Bile Acids
- BOHB
- GLDH
- Bicarbonate
- Other (specify) _____

- Livestock (John House) profile
- Alpaca profile
- Downer cow profile
- Porcine profile
- Avian Long Short
- Avian liver
- Reptile Long Short
- Exotics MBA
- Snake bite

Body Fluid Analysis

- Abdominal / Thoracic
- Joint or Tendon Sheath
- CSF

Urinalysis (Cysto, Catheterised, Voided)

- Full urinalysis
- Calculus examination
- Protein : Creatinine ratio
- Microprotein
- Urinalysis part (specify) _____

Microbiology

- Aerobic culture + sensitivity
- Anaerobic culture
- Organism ID Gram stain only
- Blood/body fluid culture
- Uterine culture
- Clitoral culture
- Milk culture
- Fungal culture and ID
- Faecal culture for *Salmonella*
- Day 1 2 3 4 5
- Environmental swab (*Salmonella*)
- Clean Dirty
- Biosecurity (quarterly)

Immunology

- Foal IgG (GC test)
- Direct Coombs Test
- Blood group
- Blood bank profile
- Cross match

Endocrinology

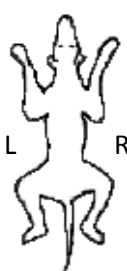

- Cortisol
- ACTH stim test (0 & 2 h)
- Low dose Dexamethasone Supp. (0, 4 & 8 h)
- Progesterone
- T4

Parasitology/faecal analysis

- Faecal egg count
- Faecal egg float
- Direct smear

Histopathology LESION SITE

- Necropsy
- Biopsy
- Teaching

L R

Dorsal

R L

Ventral

Postmortem

- Paid
- Teaching
